

BATHROOM RENOVATION ■ ■ ■

Finish materials include a rock face stone tile as the floor border with a glass tile inset. Wall tile is limestone as a wainscot with a glass tile border and glass tile bull nose cap. Above the wainscot in the tub/shower is a hand glazed and fired ceramic tile which gives dimension and additional character to the tile.

BATHROOM RENOVATION ■ ■ ■

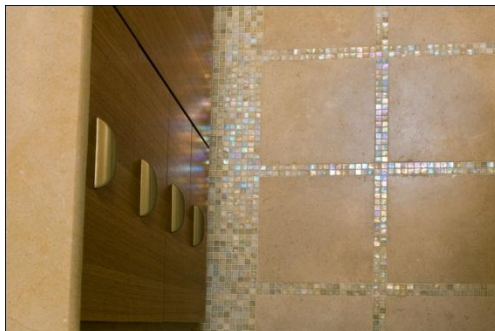

Studio Villanueva had remodeled this clients bathrooms in a previous condominium and they enjoyed it so much that remodeling the bathrooms in their new home was a top priority.

The goal was to reconfigure the adjacent bathrooms to improve the functionality of both spaces. The master bath now has a walk in linen closet, a whirlpool bath/shower combination, heated toilet, and two sink vanity. The finishes a bright and sophisticated.

BATHROOM RENOVATION ■ ■ ■

Like their previous home, the client wanted their children's bath to be whimsical yet stylish to transition through their development.
